Dear Grandy:- Sat. 8 A.M.

Read your nice letter last night. Delighted to hear from you. Had been looking for Daddy or a letter. I've got a job. I guess they will start monday on one of them. Was clearing the location yesterday. A two story house, other one is a mansion & small place.. & lots of other jobs under way & coming up. I am even drawing the plans for my residence." So I will want some plants from you. I will tell you more about it next time. Say it is cold these mornings. Bring the tent outfit. I think you should come up when school is out. for Daddy will have work all summer. I am tickled death, over the pet you are sending. I know it is one of Bess' pups. Tell that they are cute. Have not found my cat yet. Mrs. Hunter sends regards. My dad hasn't not come that yet. Hope they will soon. Yes tell Dad to take Atlas. Sure. I told him about Daddy. If I am not home, the key is on shroud above screen door. Track pork. Do right in & make your self at home. & I will soon be there. Yes I think Daddy should be on the ground when a job starts. on he can get on before the whole crew is on. But suit yourself. I wish I could talk to you. Sorry the girls are grunty. Hope you are all better by now. well I must close & get busy. Hoping to see or hear from you soon. Be good. "Smithie"

Love to all.
